Inspiring Confidence

BONFIRE NIGHT

19 OCTOBER 2017

Our spectacular Bonfire and Fireworks Night is coming up in a couple of weeks and it continues to be one of the most popular events of the year, with BBQ and mulled wine, stalls, the fantastic firework show, the Guy competition and of course the magnificent bonfire! Bonfire Night tickets cost £7 per person and under 2s go free and tickets can only be ordered online via the following link:

<https://form.jotformeu.com/72763125500348>

This link can also be found on the Bonfire Night webpage. Once you have ordered your tickets, you will receive a confirmation email that you should print off to show at the gate on the night, as we will not be issuing paper tickets. The final deadline for ordering tickets is Monday 16th October.

Payment can be made via the following methods:

- a) Online to St Piran's Society (NatWest) Sort Code: 60 13 35 Account: 86842633
Please use a payment reference starting with "B" plus the school year of your child plus as much of your surname as you can. For example: BNSmith or B4Jones
- b) Cheque (made payable to St Piran's Society)
- c) Cash

If you are paying by cheque or cash, please put your payment and a copy of your ticket order confirmation email in an envelope and put it into the Society's postbox outside the Matrons' Office windows.

**** PLEASE NOTE THAT TICKETS CANNOT BE BOUGHT AT THE GATE ON THE NIGHT ****

This is due to changes in regulations for firework displays, as well as public liability requirements, as we must now keep attendance numbers to below 1000. Please note this event is a ticketed, private event for current school families and recent leavers.

ACCESS TO THE SCHOOL

There will be **STRICTLY NO PARKING** on site during Bonfire Night so please find alternative spaces off-site & park CONSIDERATELY in the local area. **Please make sure you do not block driveways for local residents.** Pedestrian access to and from the school grounds will be via the main drive or, for those with a key, the back gate. The two pedestrian gates on Gringer Hill to Nursery and through to the gravel car park will be locked. Due to site safety requirements for the firework display, the gravel car park, the cordoned area of the Upper Field and the pedestrian path alongside the Upper Field will be closed from approximately 4pm **and will remain off-limits to everyone** for the rest of the evening up to approximately 9pm.

Finally, the main school drive will be closed whilst the fireworks display takes place, so please ensure you have arrived on-site well before 7:45pm, when the firework show is due to start. You must stay in the viewing area during the fireworks show and please ensure your children do not push against the tape barrier. Finally, please be aware that the main school drive will still remain closed for approximately 5-10 minutes after the last firework has fired. This is so the fireworks team can complete all their post-display safety checks to ensure all the fireworks have fired and the area is completely safe.

Gates open 6.15pm, so come along early to browse the stalls, enjoy delicious food and have a couple of glasses of mulled wine. The bonfire will be lit at 7pm and the firework display will begin at approximately 7.45pm.

Please remember to bring plenty of change!

We hope you enjoy the evening!
