

Kazi Mingi Programme of Events 2012

The purpose of this calendar is to set out a number of monthly activities that will be taking place in support of the Kazi Mingi Foundation Charity during the year.

- January** Swimathon organised by Mrs Burnage. The intention is that 10% of the fund raising that would go to the school will be given to Kazi Mingi.
- February** 24 February - Street Dance Marathon - This will be run by West Clan and Ms Quinn with a number of the Games Department staff supporting this, running throughout the day as a sponsored event raising money for KMF.
- March** Year 8 Easter Egg Enterprise – Year 8 will do this again and there will also be a Catalogue of Sponsored Sports Equipment – this will be run by Mrs Auger and East Clan. This will be identifying all of the sports equipment and other such items that KMF need and we are hoping that people will be able to sponsor.
- April** This is the Easter holidays so nothing in particular is planned.
- May** Coins for Kazi Mingi – This will be run by North Clan under the direction of Miss Wyatt. This could take the form of a number of events either covering an outline of Kenya in coins or seeing how many times we can make a coin trail go round school or how far coins can roll, or anything linked to coins.
- June** KMF Concert – This is more likely to be organised by KMF itself and quite possibly set here at school or elsewhere but involving a wider number of participants.
- July** An Olympic Themed Walk to follow the torch – walking from St Piran's to Kenya. This will be organised by South Clan and Mrs Carroll. They will also be doing a foreign coin collection throughout the year, something which is already ongoing.

Other activities which have been organised:

A CD/DVD collection – Miss Newman has organised this. These can be sold for money. This has already started and will continue into the New Year and any money raised will go to Kazi Mingi.

There are a number of other smaller ideas which could still run alongside all of this. These might include:

- Badge making and the purchase of KMF badges for all the children to wear
- Cake sales
- Book sales
- Smoothie day
- Swap shop day
- Nearly new clothes sale for children

There is no limit to the ideas that we can have!
