St Piran's School Baselayer Range

Dear Parents,

In 2009 we introduced the St Piran's School Baselayer range manufactured by PlayerLayer. We feel it has been a great success and the feedback from pupils has been excellent. The aim was to provide a high quality baselayer option whilst also standardising appearance to maintain a uniformed look.

If your child would like to wear a baselayer product during games, matches or training sessions, then please ensure they have the school branded ones. There are both boys and girls versions available.

To order simply go to: www.playerlayer.com. Then search in the 'Schools' section for: St Piran's School'. Alternatively, click here for the direct link to our web page: playerlayer.com/school/st-piran-s-school.html

There is an extensive size guide and a FAQ section on the website to make sure you get the right size. PlayerLayer also have the facility to allow each top to be personalised with your child's name. This means it won't get lost in the changing room! Most importantly, the garments keep you warm, increasing the enjoyment of sport and help to prevent injury. The technical fabric "wicks" moisture away from the skin, regulating the body's temperature.

We hope you'll agree that your child will look smart wearing their St Piran's School baselayers and by ordering directly from PlayerLayer, they represent excellent value for money.

Kind Regards

Mike Smith
