

From The Headmaster

Emails

As we are sending more notes and letters home electronically, please could parents be sure to check their emails regularly.

Car Parking

Unfortunately we have had incidents of vehicles being blocked in at collection time recently. As a courtesy to other parents and to avoid causing major congestion through the car park, I urge you not to double park at any time. It is always preferable to park in a designated space in the main or Nursery car park even if this means collecting your child a couple of minutes late.

South Africa Exchange

Next Thursday I will depart with our exchange pupils to Cordwalles School in Pietermaritzburg, South Africa. If last year's trip is any indicator, the pupils will have a great time and some wonderful experiences to remember! In my absence, Ms Jones, Deputy Head will be taking charge of the school.

School Uniform Suppliers

John Lewis are our main school uniform outfitters and although there are cheaper alternatives locally, Goyle's do not supply the appropriate uniform. To avoid an awkward conversation with me, it would be best not to purchase specific items such as the school blazer from there. Thank you for your support in this.

MUSIC LESSONS

Please be advised that Mrs McCulloch, flute/recorder teacher is in Monday next week (30th Jan) and not the normal Tuesday.

match reports

Middle School Rugby V Bishopsgate

The Middle School started the rugby season really well and there were some great games of rugby played last Friday. The U9 A and B teams both won with two impressive displays here at St Piran's. This week's fixture will be a tougher challenge against Lambrook and the boys will have to play as a team and be at their very best to achieve some victories.

The U8 A, B and C teams were brilliant in their first game of tag rugby. All three games were close and the boys gave their best and thoroughly enjoyed the afternoon. The Middle School results were as follows:

U9A Won 30 - 0
 U9B Won 35 - 5
 U8A Won 14 tries to 12
 U8B Lost 14 tries to 12
 U8C Lost 12 tries to 10.

Upper School Rugby

The Upper School also enjoyed success against Bishopsgate on Wednesday. Special mention to the U13's who managed to win their first game this year. The Colts rugby matches were all close affairs which made for a thoroughly enjoyable afternoon and well done to everybody involved. The results were as follows:

U13's Won 39 - 24
 Colts A's Won 19 - 7
 Colts B's Won 41 - 17
 Colts C's Lost 25 - 10

New For 2012! Hazels Corner

All the staff in the kitchen would like to wish you a very happy and healthy 2012 ... and what an exciting year it's going to be!

2012 is the Diamond Jubilee of Queen Elizabeth II, which will be celebrated on 5th June.

Then starting on 27th July until 9th September it will be the London 2012 Olympic and Paralympic Games. This event is one of the greatest international occasions on the planet!

One of the things the people organising the Games want to do is encourage us all to take our health more seriously. This means exercising regularly and eating healthy food.

At St Pirans we want to be involved about promoting healthy food too and introduce some of the ingredients the athletes training for the Games might be eating.

Each week we plan to include some of these foods on the lunch menu.

This might be...

- An interesting mixture of fresh vegetables and fruit.
- Healthy natural foods that haven't been processed in a factory.
- Foods that give you more energy.

As always we look forward to your comments about the food.

In the meantime watch this space for more exciting news about the food at St Pirans!
