Admission Procedures

Registration

The School will consider each application for registration made on the School's Registration Form so long as the correct Registration Fee has been paid. The Registration Fee is non-returnable, whether or not the application for registration is successful.

Waiting List Place

If the School accepts an application for registration, the parent will be informed by letter. This ensures that a place will be held for the child on the waiting list. The Contract to accept a child as a pupil will not be made on receipt of a registration fee and form. Siblings of current pupils are given priority on the waiting list.

Formal Offer

The formal offer to accept the child as a pupil is conditional upon the Headmaster having evidence through interview and/or testing, or a report from the previous School, that the child has reached an appropriate standard both academically and socially. Once the Headmaster is satisfied that these conditions have been fulfilled, a deposit will then become payable and a Contract will be made on valid acceptance by the parent of a formal offer of a place at the School. The deposit will not be returnable if the guaranteed place is not taken up. The deposit tells the School that there is a commitment by parents to the School for a number of years. It is held against any disbursements which are outstanding at the end of the final term.

The School places a high value on continuity of education for children in the Nursery, Lower and Middle parts of the school. Therefore parents should note that the deposit is not refundable if the pupil is removed from either the Nursery, Lower or Middle School.
