

## St Piran's School Baselayer Range

Dear Parents,

In 2009 we introduced the St Piran's School Baselayer range manufactured by PlayerLayer. We feel it has been a great success and the feedback from pupils has been excellent. The aim was to provide a high quality baselayer option whilst also standardising appearance to maintain a uniformed look.

**If your child would like to wear a baselayer product during games, matches or training sessions, then please ensure they have the school branded ones.**

NB. There is now a girl's version of the boy's baselayer shorts available to order.

To order simply go to: [www.playerlayer.com](http://www.playerlayer.com). Then search in the Schools section for: St Piran's School

Or click here for the direct link to our web page:

There is an extensive size guide and a FAQ section on the website to make sure you get the right size.

**Personalisation:** PlayerLayer have the facility to allow each top to be personalised with your child's name. This means it won't get lost in the changing room!

Order Deadlines	Delivery date to the school
1. 19 June	6 September
2. 16 July	4 October

**Baselayer Science:** Most importantly, the garments keep you warm, increasing the enjoyment of sport and help to prevent injury. The technical fabric "wicks" moisture away from the skin, regulating the body's temperature.

We hope you'll agree that your child will look smart wearing their St Piran's School baselayers and by ordering directly from PlayerLayer, they represent excellent value for money.

Kind Regards
