

From the Headmaster

Dogs in school grounds

Please would parents remember that we do not allow dogs on school premises.

Zebra Crossing

Do not park on or near the zebra crossing! Please make sure that all nannies, au pairs or grandparents who collect your children are aware of this. It is a very dangerous place to park.

Chapel Collection

There will be a chapel collection next Friday for Epilepsy Action. Please remember to bring in a donation.

Mr Durston-Smith and the Music Department would like to say a big thank you to all the girls and boys, staff and parents who took part in the recent Swimathon.

The money will be used to upgrade our stock of orchestral instruments so we can loan them to new instrumentalists.

Please would you provide your child with carrier bags in their kit bag for wet kit to be taken home in.

Mr Hoy will be reminding children to place all wet kit in their carrier bag. It would be appreciated if parents could also explain this system to their children.
