

From The Headmaster

Water bottles

As the warmer weather approaches, children may bring water bottles into school, but they should be filled with fresh water only, not squash or other drinks.

Half term

We will finish for half term at the end of the day next Thursday 25th May.

School Examinations

We wish all the Upper School children taking exams next week the very best of luck.

WELLINGTON MATHS CHALLENGE

Yesterday, eight pupils from Years 5 & 6 took part in the Wellington Maths Challenge. The pupils were Junaid Hussain, Matthew Tabor, Bertie Kennedy, Sam Bithrey, Marcus Howard-Vyse, Savy Joshi, Andy Lim & Tom Stileman. There were 40 teams of pupils working in pairs. The boys had great success with Junaid and Matthew coming first. We also achieved fifth and ninth places and therefore had three places in the top ten. Well done to everyone who took part.
Mrs Howard-Vyse

NATIONAL HANDWRITING COMPETITION

Congratulations to Adam Binsley who was Runner up in the age 11 category and to Savy Joshi who won the 8—11 B age group.

COMMUNICATIONS WITH PARENTS

In an endeavour to make communication with parents more streamlined, we are appealing to every family to pass on their email address to the school. We hope this will be a first step to sending electronic messages and letters home in the future. Please help us to gather the required information by sending an email to: jane@stpirans.co.uk, and in the subject line please type "EMAIL UPDATE". We will be adding this information to our school database of families over the next few weeks. Please notify us also if you do not have an email address. As you will appreciate, this will take some time but should help us move toward a new and updated system of communication with you. The co-operation of you all would be welcomed. Thank you.

JOHN LEWIS SCHOOL UNIFORM

Forms have been sent home today regarding our visit from John Lewis School Uniform Fitters on 8th June. These forms enable you to order items of summer uniform for your child and have them fitted by John Lewis staff in school, thus saving you the journey into Reading.

May we stress how beneficial it is for parents to use this facility. The uniform fitters provide this service for you, the parents, and without enough order forms returned, it will not justify their visit to St Piran's. If you wish to order items, it is essential that you return your pink and blue forms before half term.
