

FROM THE HEAD

I couldn't be more delighted to **welcome** each and every one of our pupils back to St Piran's for our new school year! We also welcome some new children and staff this term, and I know you will soon feel very much a part of our St Piran's family.

The school day will be different in many ways from usual, so please bear with us as we get used to new timings, routines and procedures. Please continue to remind your children about good hygiene and social distancing, reinforcing our message from school.

We ran some very successful **holiday clubs** and a day of **pre-season** coaching over the summer, so thank you to our wonderful staff for organising these and giving the children a chance to have some fun with their friends.

We are still finalising some events and **dates for this term**. While we are not in a position to publish your usual termly calendar as a hard copy due to the many changes over the last few weeks, the online calendar is being updated regularly on your Schoolbase Parent Portal and the school website. Here you will find any forthcoming events, plus the newsletter each Friday will detail events for the week ahead.

Here's to a fantastic term!

SCHOOLBASE & SPORT APPS

Don't forget you can access your Parent Portal from your phone with the Schoolbase mobile app.

And once we have fixtures up and running again, our SOCS sports website and app will be a useful tool for tracking team lists and results.

Many of you are already familiar with these, but user guides are always available on our website in the Parent Hub section.

VALUE OF THE WEEK

Each week we focus on a weekly value for the children to embody in their daily lives.

Staff will nominate children who are displaying the value of the week for a Headmaster's Award.

Next week's values are
COMPASSION & EMPATHY

SCHOOL MEALS

New menus with some delicious hot food options are now available for this term from our Catering Team and can be downloaded from our website.

School menus run in weekly rotation—next week (w/b 7th September) will be Week 2.

Please note there have been changes to the menus emailed earlier in the week. The updated versions are on the website.
